INTRODUCTION

Thank you for your interest in the National Federation for Just Communities (NFJC)!

The NFJC is a network of organizations from across the country with multiple years of experience, extensive knowledge, skills and expertise in the areas of human relations, social justice, community-building, and inter-group understanding. Our members and their executives and staff share a professional commitment to growth and mutual support in advancing social justice work and their individual organization's missions. NFJC's strength and uniqueness is bound together and driven by the collective commitment to a shared vision and mission:

Our Vision: The reality of inclusion and justice for all is the practice of every community.

Our Mission: The NFJC supports its member organizations in the human relations work of building community by advancing inclusion and justice throughout the United States.

NFJC PROGRAM PHILOSOPHY

NFJC member organizations share a common commitment to creating inclusive, respectful, and just communities.

IDEAS guiding our work:

- ***INCLUSION***
We actively promote respect, understanding and *INCLUSION* for all people in our community through education, dialogue, and advocacy that focuses on transformational change.
- ***INTERSECTIONS***
We focus on the multiple dimensions of diversity and the *INTERSECTIONS* across and between groups.
- ***INTROSPECTION***
We bring people together from all backgrounds to look *INTROSPECTIVELY* and challenge the attitudes and behaviors that result in bias and discrimination based on, but not limited to, ability, age, economic and social class, gender, gender identity/expression, immigration status, race, religion, and sexual orientation.

INGREDIENTS in our mission-focused programming:

- ***INDIVIDUALS***
We create spaces and opportunities for diverse groups of *INDIVIDUALS* to learn about themselves and one another, thereby beginning to reduce stereotypes and biases.
- ***INTERACTION***
We emphasize experiential learning that leads to honest and authentic human *INTERACTION*.
- ***ISSUES***
We develop awareness and understanding about critical *ISSUES* of prejudice, discrimination and bias.

IMPACT of our programs:

- ***INFUSE***
We *INFUSE* passion and build skills that empower individuals to act as change agents in their organizations, schools and communities.
- ***IGNITE***
We *IGNITE* collective action to:
 - Improve academic achievement
 - Increase workplace productivity
 - Enhance local trust
- ***INSPIRE***
We *INSPIRE* communities we serve to become *PLACES OF PROMISE AND JUSTICE FOR ALL*.
